WORK EXPERIENCE

RamanaSoft Consulting Services

Intern   Oct 2024 - Mar 2025

Scholarship Test Management System

Full-Stack Web Application | Internship Project

- Developed a full-stack application using **React.js, Node.js, Express.js,** and **MySQL** to manage online scholarship tests with secure **role-based access** for students and admins.
- Implemented dynamic test creation with question banks, test scheduling, and **real-time result calculation** for accurate evaluations.
- Built **responsive dashboards** for student and admin panels using **React.js**, **Bootstrap**, and **Material-UI** to enhance user experience.
- Integrated **performance analytics and ranking algorithms** to provide insightful reports and efficient participant ranking.
- Designed a **scalable backend architecture** with secure **user authentication** to support high concurrency during tests.
- Created and consumed **RESTful APIs** for smooth and secure front-end and back-end communication.
